

Recommendation Letter

To whom it may concern,

I am pleased to recommend Nathan OMANGA NDJEKONDO, who completed the FlyRank AI Internship Program from July 1, 2026 to September 8, 2026 in the role of General AI Fluency Intern.

During the program, Nathan completed 26 practical assignments focused on AI partnership and responsible use, repeatable AI-assisted workflows, shipping practical AI-supported work, and evaluating AI output with clear quality standards.

As the culminating project, Nathan completed "General AI Fluency · Impact Project," which was reviewed and accepted by the lead track mentor.

Participation also included 18 attended program meetings, 26 completed learning resources, and 13 verified Anthropic Academy courses.

Based on this verified completion record, I recommend Nathan for opportunities aligned with AI-enabled roles and cross-functional work.

The approved internship specialization was General AI Fluency; the independently qualified completed track was AI Fluency.
